## CCAFI Mission:

That the purpose for which this association is formed are:

To promote the welfare of the children by establishing, sustaining, and offering a balanced curriculum that focuses on the development of a Christian person anchored on the fear of God, love of fellowmen, and passion to serve others and our country.

To promote Christian values as well as the holistic development and growth of children, through the varied learning activities designed and offered by the school.

## CCAFI Mission:

To usher children to their God-ordained destiny, influential in establishing progressive families and highly-developed communities.
